Zoom - Using the RI Method for Grief	Thursday	6:00pm	Eastern	When grieving a loss, you may not think that anything could be a triviality. We are not a grief group in the traditional sense that we are processing mourning. Rather, we focus on some trivial aspects of life after loss that can be handled using our RI cognitive behavioral tools. No matter who or what you are grieving, you are welcome to this group for a chance to gain some relief with everyday challenges of grief and loss.
